## HB 2870 Support

The Marion County Democratic Central Committee Legislative Committee supports the concept of Oregon Campaign Review Commission.

There may need to be some improvements to the bill.

Provisions could be made for the inclusion of registered voters who are non-affiliated with good general election voting records.

But the increasing amount of campaign literature with unfounded claims is alarming. The “it doesn’t matter if it is true or not, just use it” is common among some political consultants.

We encourage the committee to work with the sponsor to modify the bill as he indicated he was willing during the hearing.
