

Submitter: John Dummer

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB485

I'm in support of SB485-2 and the 2 amendments. It offers clarification for small woodland owners facing decisions regarding estate planning and succession planning that will impact forest management in a positive way by offering a higher level of certainty regarding estate taxes. I urge your support for SB485-2.
