On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: HB3054

My name is Claudette Hills. I am 72 years old. I live in Brookings Oregon in a Manufactured Home Park along with my 96 year old Mother who still lives on her own. As you know, manufactured homeowners are some of the lowest income residents in Oregon. Please support this bill and help us remain homeowners and seniors who can still take care of themselves. These rent increases come every year at rates that are beyond our cost of living increases.

We appreciate all that consider our lives and do the right thing!
