On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: HB3054

I urge you to vote yes on HB 3054.

This bill would be an important step toward tenant protections for some of the most vulnerable renters in Portland and throughout Oregon. There is an alarming trend that we are seeing in manufactured housing communities across our state: The skyrocketing costs for tenants who predominantly are on fixed incomes and relying on Social Security.
