

Submitter:

JENNIFER KAMPRATH

On Behalf Of:

Committee:

Senate Committee On Education

Measure, Appointment or Topic:

HB3365

I am against this bill. There is no proof that climate change is real and even if it was unless the entire world sign on, which they wont it makes no difference.

Children in Oregon under democrat rule are almost last in the nation in learning, They need to be learing the basics not wasting time on this garbage.
