

Dear Members of the Oregon Legislature,

I urge you to support HB 2977, a bill to secure long-term, dedicated funding to recover Oregon's most imperiled fish, wildlife, and habitats.

As a person who recreates in Oregon, spends time in the beautiful outdoors, and contributes to Oregon's robust tourism economy, I support a 1% increase in the tourism tax to protect Oregon's cherished wildlife and natural legacy.

It's imperative that the next generation has the opportunity to enjoy Oregon's splendor, including a thriving diversity of native wildlife.

Please support the species and habitats that make Oregon an incredible place to visit by passing HB 2977 today.
