Measure, Appointment or Topic: HB3962

I oppose because property taxes are already way too high and business is slow right now and we're already paying 3% to the city and 1.5% to the state (which we didn't have to years ago) out-of-pocket which we cannot collect from the renters, so if it can be left alone the way it is right now that would be nice and helpful for a small business owner. Thank you.
