

Submitter: Garrett Weaver

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: HB3932

I wholeheartedly oppose this bill. This bill could ban all beaver trapping on public land in Oregon. I find this a disservice to the people of Oregon who like to participate in trapping and the outdoors. It prevents people from directly connecting to the history of their beloved state, which was founded in large part by beaver trappers. Beavers are plentiful and should be managed by the state game agency not through legislature.
