

Submitter: James Bowers

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: HB3932

I'm writing in support of HB 3932. I am concerned about the health of waterways in our state and I know that beavers play a critical role in slowing water, raising water tables, and supporting other aquatic species. Please support protecting beavers in waterways throughout the state. Aren't we the "Beaver State?"
