

Submitter: Shelby Staffenson

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: HB3646

I oppose HB3636. Oregon's procurement system should be based on fairness, transparency, and competition. Putting policies in place that favor certain companies over others based on ownership structure will potentially increase costs to taxpayers. This bill risks distorting the competitive bidding process and adds to the administrative complexity. Please vote NO on this bill.
