Measure, Appointment or Topic: HB3789

I strongly oppose HB3789. The intent of this bill is to silence anyone who communicates opposition to unions by creating conditions under which they can be falsely accused of impersonating a union representative. This bill is specifically aimed at one entity that unions do not like and is based on lies by the union. Additionally, it infringes on the first amendment protections of free speech. Please vote NO on HB3789.
