Committee: Senate Committee On Natural Resources and

Measure, Appointment or Topic: HB3932

Chair Golden, Vice Chair Nash. Members of the committee.

My name is Kylee Simonis. I've been a trapper most of my life in our beautiful state. I'm here to oppose HB3932. I ask you do the same. Our appointed officials and degree carrying staff at ODFW have voted this same thing down 4 different times. To be sure they made beaver work group that brought together the Beaver Management Plan. Just to make sure there is no actual issue. ODFW has over \$200k invested into this project. Let's let them come to the conclusion and table this bill till the next session and bring the true facts to the table. Thank you for your time,

Sincerely
Kylee Simonis
