Senate Committee On Rules

Measure, Appointment or Topic:

SB243

These measures are a complete affront to our 2nd Amendment right to keep and bear arms to protect ourselves and our families. All you are doing with the asinine rules is making it hard for law abiding citizens to protect themselves. The criminals do not care about your laws and will not be affected by the Liberal attempt to take away our right of self protection. Every elected person should be working for all the citizens of this state and not just the Liberal pukes that line the I5 corridor from Portland to Eugene. You are taking my right away from me and taking my voice away from me as well. With all these rules you are creating a situation where good people are going to have to commit crimes (bases on unjust laws) to make sure their families and homes are safe.
