Topic:

Please support the Lane County Coalition of Recreation, Arts, and Athletics (CoRAA(=) for the Bohemia Foundation in helping the community complete north-end improvements at Bohemia Park. I live in Cottage Grove and have seen how much the continuing improvement of Bohemia Park has contributed to the betterment of our community. It is a place for important gatherings, summer evening music/concerts, young children's playground, and other events.

There are many difficult decisions to be made this legislative session. I ask that your support for CoRAA is one of them. All of its projects have health care benefits (both physical and mental), tremendous economic development impact and will greatly enhance the quality of life here in Lane County.

Thank you for your time and service to Oregonians and for your support of this important coalition.
