SB238

I urge you to OPPOSE SB 238A, a bill to allow police and sheriffs to use drones for surveillance and spying in many situations – without warrants, which means without court oversight. This SB 238A is unnecessary and dangerous expansion of law enforcement authority – and weakening of court oversight and the rule of law.

We cannot permit Trump and his cronies, including Vance and Stephen Miller, to use local police and police to further their hate agenda against immigrants and refugees, trans people, and anyone they consider an undesirable or political enemy.

OPPOSE SB 238A.
