

Submitter: Jory Umble

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or SB5531
Topic:

I have spent many years at Osborn I am now 18 and have spent every summer at Osborn. As I entered the world of competitive swimming it became a second home. I also worked as a lifeguard and have the ultimate respect for all of the Osborn employees. Osborn is an essential part of the swimming community and it is necessary to support this measure to keep our community healthy and happy.
