Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: HB3789

OPPOSE HB 3789!

This legislation is unnecessary and potentially harmful in several ways. Fraud, misrepresentation, and impersonation are already acts of illegal activity and are guarded by current law. Passing this bill gives labor organizations unchecked authority to determine who qualifies as a union representative. This bill presents union overreach and unintended consequences. I urge the Committee to reject this bill and avoid undermining transparency and balance in labor relations.
