Dear Co-Chairs Girod and Nosse and Members of the Joint Committee On Ways and
Means Subcommittee On Capital Construction,

I am delighted to be able to advocate for state investment in the Salmonberry Trail. I own property along the trail, and I've seen what a gem this right-of-way is. This is not an ordinary rail-to-trail conversion, this is an opportunity for a world-class trail showcasing Oregon's magnificent coast and coast range. Amazingly, at the same time it serves as a real connector from the Portland area to the coast and the communities in-between.

When complete, this trail is going to be on -everyone's- shortlist of what makes Oregon such a special place.

Sincerely,
Greg Haun
