

Submitter: Manish Patel  
On Behalf Of:  
Committee: House Committee On Revenue  
Measure, Appointment or Topic: HB3962  
HB 3962oppose 3962:

This is a “gut and stuff” bill that replaces HB 3556 and would allow new or increased local Transient Lodging Taxes (TLTs) to be spent on unrelated services like public safety and “community infrastructure.” This undermines Oregon’s 2003 TLT framework, which ensures tourism-generated revenue supports tourism promotion and development—benefiting businesses like yours.
