

To Whom it may Concern:

- Corvallis Area Swimming Representatives

DART Swimming would like to show our support for the Osbourn Aquatic Center in Corvallis, Oregon.

DART Swimming is a USA Swimming team located in Sacramento, CA. We have attended swimming meets at the Osbourn Aquatic Center as recently as 2024. While attending these meets in Corvallis, DART traveled with 60 swimmers, parents, and coaches.

When we last traveled to Corvallis, our team spent over \$15,000 on hotels along with three full days eating and shopping in the area. This facility is important to the West Coast aquatics community and will continue to bring in economic impact revenue to the Corvallis community. DART would like to continue to support the CAT team and the Corvallis community.

Please continue to support the Osbourne Aquatic Center, we would love to return to this beautiful area for meets in the future.
