Topic:

To Whom it May Concern,

Our family lives in Corvallis and regularly uses the Osborn Aquatic Center throughout the year. My wife and I, both seniors on fixed income, rely on the Center to help us stay fit and healthy. Our grandchildren take swimming lessons at the Center and spend many hours recreating there as well, particularly during the summer. The Center is a mainstay of the local community and is used by folks and families from throughout the mid Valley. It's also very important that those lacking air conditioning have access to this facility. Please help us save this critical resource. Thankyou.
