

Submitter:	Mary Jo Dzundza
On Behalf Of:	Netarts Oceanside Fire District
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB3962

I would like to support funds for Emergency Services from TLT funds. We need those funds for furthering education, hiring personnel, updating equipment etc. This would be an excellent way to use some of those TLT funds to help our community better serve our residents and our tourists. Thank you for your serious consideration.
