

Submitter: Megan Jaeckel

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: HB3824

Dry needling has personally helped me in so many ways. I have had multiple injuries that have impacted my quality of life and ability to care for myself and my family. I was able to use dry needling in physical therapy to help heal from these injuries and get back to my life. It is a tool every physical therapist should be able to use to help people.
