

Submitter: Maggie Cline

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: HB3365

Dear Chair and members of the Senate Education Committee,

I strongly support HB 3365 - which seeks to expand and integrate climate change instruction across all K-12 core subject areas (language arts, sciences, mathematics, social studies, health, physical education and the arts). I urge you to vote in favor of HB 3365- Comprehensive Climate Change Education in Oregon schools."

Thank you for your support of HB 3365! It is time for Oregon to take leadership in becoming the second state to legislate comprehensive climate education.

Sincerely,

Maggie Cline
