Measure, Appointment or Topic: HB3789

I stand in opposition to House Bill 3789. I support the Freedom Foundation, which has brought to light the hidden agenda and lies perpetuated by SEIU. The Freedom Foundation has never engaged in impersonation or misrepresentation when communicating with us as care home providers. They never showed up at our door pretending to be the union or any other entity. I believe this bill would silence the voices of people who don't stand with the union, which is a large number. I urge you to reject this bill and protect our right to free speech.
