SB238

Dear Chair Kropf and Senate Judiciary Committee,

I am opposed to SB 238A. Please do not let this bill go any further than your committee. It is unbelievable that Oregon would even be considering the use of drones by law enforcement to surveil citizens doing lawful activities. Surveillance of citizens like this with no judicial review is outrageous.

We have seen people being targeted and punished for their beliefs, for being conscientious citizens. Don't give police and government any more tools to take away our rights, our privacy, our freedoms.

Shut this down now.

Thank you,

Catherine
