

Submitter: Dan Miller

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On  
Capital Construction

Measure, Appointment or SB5531  
Topic:

I write in support of directing funding to Osborn Aquatic Center in Corvallis. Osborn is a regional swim facility that serves families, swim teams, and hosts events. It is an essential facility for Corvallis and a worthwhile use of state funds as it has a wide ranging impact on the community in Corvallis and the surrounding areas. Thank you.
