Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB243

I have been a gun owner for 45 years. Guns are a tool, no different than a hammer or a wrench. A gun, or a hammer is no more dangerous than any other tool. As a law abiding citizen, I have the right to posses firearms under the second amendment of the US constitution and that right may not be infringed. A waiting period is an infringement and a violation of the constitution.
