SB238

I am more than just angered that this bill has made it as far as it has, I am saddened, scared, and appalled. Our country is quickly moving towards an oligarchy and authoritarian government in the last thing that we need is more policing. The police already have complete control in "law and order" and they do not have enough accountability.

If there is going to be any bill about policing, it needs to be about policing the police! I vehemently oppose this bill and anyone that votes for it, I can promise you that I will do everything in my power to ensure you are not voted back into office. This bill it's disgusting, abhorrent, and should absolutely never be voted into it. Please do the right thing and stop the extreme policing in Oregon! We need more oversight of the police, we don't need to give them more undue and unchecked power. Thank you
