Capital Construction
Measure, Appointment or Topic: SB5531

Dear Chair and Members of the Committee,

I am writing to advocate for the workforce housing (WFH) project in Tillamook, known as Tillamook Bay Commons. Funding from bill SB 5531 will enable the construction of this WFH project, providing housing for healthcare workers, educators, and other essential Tillamook County employees in my community.

The \$6.3 million in grant funding needed to complete this fully pre leased WFH project is essential to the health and livelihood of our community. I have been following this story on Oregon Public Broadcasting and believe this will be a very beneficial addition to the community that will provide critical housing to many of its residents.

Please consider supporting this vital community WFH project in Tillamook City.

Sincerely,
David Wade
