Capital Construction
Measure, Appointment or Topic: SB5531

Dear Chair and Members of the Committee,

I am writing to show support for the workforce housing project in Tillamook, known as Tillamook Bay Commons. Funding from bill SB 5531 will enable the construction of this workforce housing project, providing housing for healthcare workers, educators, and other essential Tillamook County employees in the community. As you know affordable housing continues to be a difficult problem to solve.

This project is fully pre-leased and \$6.3 million in grant funding is needed to complete the project, which is essential to the continued success of the community.

I graciously ask for your help supporting this workforce housing project in Tillamook City.

Sincerely,
George Patrick
