The aquatic center at Osborn is a state wide resource that is used by multiple different groups, including age group and high school water polo and swimming. It's also used by masters swimmers and the Oregon senior games. Having an aquatic center that can be a destination brings tourists to the state of Oregon and the town of Corvallis. Money spent repairing the Osborn aquatic center is well spent, in terms of community fitness and money spent in our state and the town of Corvallis. I coach age group swimmers for USA Swimming and am a committed masters level swimmer. I see first hand daily how much being part of a team helps our community. Please fund the Osborn aquatic center.
