Dear Legislators,

I hope this message finds you well! I am writing to express my enthusiastic support for the repair of the Osborn Pool.

As a premier club in the Northwest region, the Bellevue Club—recognized as a Gold Medal Club by USA Swimming and ranked among the top 50 in the nation—thrives on the strong support of our community. Over the years, our team has participated in numerous competitions and training trips at Osborn Pool. The opportunities this facility has provided to our youth are immeasurable, creating lasting memories that connect generations.

We wholeheartedly support the rebuilding of Osborn Pool and are excited about collaborating with the swimming community in Oregon in years to come. Together, we can continue to foster a vibrant environment for our young athletes!

Thank you for your attention to this important matter.
