Measure, Appointment or SB5531
Topic:

I support renovations for the Osborn Aquatic Center in Corvallis, Oregon.

Osborn is used by many groups in Corvallis - children, seniors, working age folks. In an era of declining medical care, where this year several of my Doctors have been laid off, having access to the life renewing classes and exercise facilities at the Osborn Aquatic Center is more essential than ever.

Please pass this measure, to fund this dearly needed resource - a working swimming facility at the Osborn Aquatic Center in Corvallis, Oregon.

Sincerely,

Melanie Place
