Hello House Committee On Judiciary,

My name is Zhou Fang, a resident in Portland, Oregon. I am writing to strongly oppose SB 238A as it would violate laws and human rights most definitely.

As an immigrant from a heavily surveilled country, I know what it was like to be surveilled and watched by the authorities, especially when there was no reasons given. The U.S. is the land of freedom and it is everyone's right to feel safe and unstalked.

SB 238A, a bill to allow police and sheriffs to use drones for surveillance and spying in many situations – without warrants or court oversight, it would unsettle lives in every community and neighborhood, including those who have always considered themselves "safe".

I oppose SB 238A.

Respectfully,
Zhou Fang
