

Submitter:	James Walz
On Behalf Of:	Stop the evil tax and spend democrats
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB2528

I am wasting my time submitting testimony since the democrats couldn't care less what Oregonians think. This testimony will be flushed into the toilet like everything else I have taken time to write. One day, we will get Oregon back and have legislators that serve with integrity and honor, a trait that zero democrats have.
