

Submitter: Boyd Lyon

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or SB5531
Topic:

This is to request your support for special funding for emergency repairs to the Osborn Aquatic Center in Corvallis. OAC is an important part of community service & livability in the Willamette Valley. Our children & grandchildren have learned to swim there; our neighbors have recreated there; it is the center for school & other competitive swimming meets across the state; and an anchor for community life in Corvallis. Thank you for your consideration.

Regards,
Boyd Lyon
