

Submitter: Rebecca Stone

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

I support expanding SB181 to include ending the use of primates in research. I recall protesting this at the primate research center in the '80s. In the 21st Century, there is no excuse to subject sentient beings to medically unnecessary lab experiments. That this continues is shameful.
