

Submitter: Beverly Brassfield

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or SB5531
Topic:

I am writing to support the Osborn Aquatic Center. I have been a resident and homeowner in Corvallis for over forty years. Both my children and grandchildren took swim lessons and recreated there from early toddler to teen ages. I feel it is a definite asset to our community. It would be a huge loss to Corvallis as well as the surrounding communities if it does not receive the funding it needs.
