On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: SB181

These 'medical' procedures are cruel
horrific, painful & barbaric & should be labeled
as torture experiments. They not only
DESTROY & WASTE these poor animals
but also DEFRAUD the American taxpayers
of their hard earned money to do it.
NONE of these so called animal experiments
have produced ANYTHING but pain, misery
& STOLEN funds. They are a SHAM & should
be BANNED IMMEDIATELY & INVESTIGATED
THOROUGHLY including ANYONE FUNDING
them or DOING these horrific acts.
