On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On  
Capital Construction

Measure, Appointment or SB5531  
Topic:

I write to support funding to repair Osborn Aquatic Center. The indoor pools have been closed for 9 months, and our community needs it to reopen. This space provides a safe place for kids (and adults!) to learn to swim and is a great community resource for fitness that is available for people of all income levels.
