

Submitter: Sarah Hess

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment SB181  
or Topic:

No animals need to be caged and tested on. Monkeys are incredible smart individuals and we are taking them from their natural habitat to inflict pain and suffering when science has proven tests done on other animals isn't always beneficial for humans.

Please help save this beautiful, intelligent and wondrous species from human violence.
