Lam writing to urgo you to support SB181 Painful experiments on animals fly	

I am writing to urge you to support SB181. Painful experiments on animals fly against Oregon's anti-cruelty laws. Animals should NEVER be subjected to cruel, painful and/or inhumane experiments. As a tax-payer I DO NOT WANT TO FUND THIS CRUELTY. Our state of Oregon and our country stand for ethical treatment of all beings. Ask yourself if you would submit your pet for such cruel treatment. Please support SB 181.
