Government, and Veterans

Measure, Appointment or Topic: SB181

Dear Chair and Members of the Committee,

I am writing from the Oregon Coast to urge you to support the Senate Bill 181.

Dogs, Cats, and other sentient animals should not be abused in painful experiments, period. I am shocked that these still exist, and do not believe the public should pay for them with tax money. I know if asked, most Oregonians would be disturbed to find their taxes funding this kind of cruelty. SB181 is a sensible and acceptable way to insure public funds reflect our values.

Please support this humane legislation.

Thank You,

Tammy Bittler
