

Submitter: Lana Gold

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment SB181
or Topic:

I support expanding SB 181 to apply to primates and any other animals held for research at OHSU or elsewhere in the state of Oregon. In addition to being cruel and unethical, it is unnecessary to experiment on animals. Computer modeling and voluntary human trials have made animal experimentation obsolete. Thank you.
