Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: SB181

I fully support this measure. The amount of puppies and kittens that are born and grow to only know the torture that they endure in laboratories is appalling.

I also fully support expanding SB181 to include ending the use of primates in research.

As a tax payer in Oregon, I want our money going towards more humane and more accurate scientific study methods, which are available already.

Thank you.
