

Submitter: YaHong Neiryndck

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or SB5531
Topic:

This is to support Osborn pool reconstruction. This pool is not only important for the Corvallis swimming families. It is also essential for the state level swimming competitions for many kids and their families. We come for competition several times a year. It is one of the few long course pools in Oregon. Please support it to be repaired!
