

Submitter: Janet Amundson
On Behalf Of: SB 181
Committee: House Committee On Emergency Management, General
Government, and Veterans
Measure, Appointment or Topic: SB181

Our family is comprised of average tax-paying citizens and all of us are in agreement that we support the defunding of animal experiments on dogs, cats, monkeys, and all living creatures. Our technology is advanced enough to replicate tests and research without animal cruelty. We all fully support the passage of SB 181.

Thank you,
Janet Amundson-Splidsboel
