On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: SB181

To Whom It May Concern,

I am absolutely against my tax dollars, or ANY tax dollars going to support these horrific labs! They make up the most hideous and painful experiments just for money! I believe there is going to be a equally horrific place in hell for the people who support these places in any way, shape, or form! God sees everything! Please support SB181 !
