I am the Head Coach of Tigard Tualatin Swim Club and I have been involved in Oregon Swimming since 1995.

In my time as a swimmer and a coach, Osborn has been a center piece of Oregon Swimming. Our state does not have many 50 meter pools that are accessible to the public and Osborn and Corvallis Aquatic Team have always been incredible hosts for the development of athletes from Novice to Elite swimmers.

I strongly believe that if Osborn Aquatic Center remains closed, it will deal a blow not only to the area due to the amount of tourism it generates, but to the sport of swimming in Oregon.

Thank you
